Swap Shop Info

A swap shop lets you bring whatever items you no longer need in your house, and then take away things you think you might be able to use, for free!

There's no obligation to bring items, but you can do so from 9am on the day, and the cafe will be open 9-1pm. Doors are fully open for people wanting to take items 10-12 noon.

Visit the WODC roadshow to find out how you can use your leftover food and get a free recipe book.
